

Date: _____

Due Date: March 26th

5 6 Science Homework

Practice sorting minerals in the *Jason digital lab*.

Go to the site: [Jason Digital Lab](#).

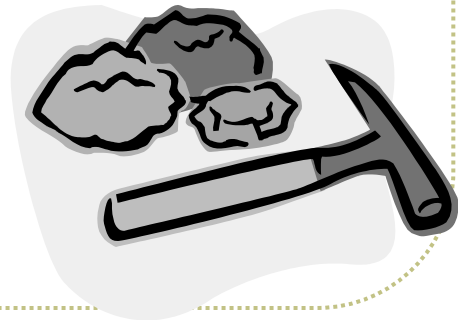

Choose to :

- Learn more
- Play the game
- Watch the movie

During the game, you collect mineral specimens. Collect at least 3 minerals, and then PRINT out your collection using the “settings” option. Bring this to school for your homework.

If you have trouble using the link:

- Go to Brainpop
- Sign in:
- User Name: cebrainpop Password: tiger1
- Choose Earth System
- Choose Rock Cycle
- Choose Games at the bottom right of your screen.
