

PARADE 5TH & 6TH HOMEWORK UPDATE:

MARCH 25, 2016

Here's what you need to know for the next few weeks:

- The Science Expo is in two weeks on April 7th in the evening. Science Homework is all about the Science Expo. Language Arts homework is less so you have lots of time to finish the big Science Expo project.
- Only homework for LA – reading log. Get it up to date and bring it to turn in for the end of the quarter next Thursday, March 31st. Bring your vocab booklet to turn in, too.
- Attached is an overview of what to complete for the Science Expo board.
- Also attached is a “checklist” of what to put on your board.
- Next Tuesday, March 29th, we will have another Science Expo work and print time. Bring items to work on and to print out here at school. Ms. Brenda will be helping with the paper cutter to get your items ready to glue on your boards.
- Monthly Progress Reports will go out on Tuesday. You can look for missing work and bring it back on Thursday or during testing Show What You Know Week.
- April 4th to 8th: Show What You Know Week! Students will take the **SBA** English Language Arts (ELA). This is also **conference week** and there are no regular classes. Students who ride the bus can still ride the morning bus but will need to be picked up by parents at 12:40 p.m.

You can find a list of assessment dates/times by grade and a link to a calendar on our website at <http://www.rlc.riverview.wednet.edu/docs/2015-16%20AssessmentSchedule.pdf>.

- For those in Pacific Rim class – see the attached note about what's due for this class.

Almost to the end of 3rd quarter!! Use your grit and keep working hard!

Mrs. Schutte
